- 489 charities across the country received over £100 in estimated retail value of Company A products in 2018
- Company A’s products featured in 14% of total orders over the period
Sheffield Mencap aims to improve the quality of lives for people with learning disabilities and their family carers.

The group helps members develop greater independence, make friends, increase confidence, find a job or have a fulfilling day through the different courses and projects that it runs.

There are many opportunities available ranging from cooking, arts and crafts, sports, drama and gardening. Members can also cook vegetables grown by the ‘Muddy Footprints’ gardening group.

In 2018, Mencap Sheffield received household cleaning products, toiletries, Christmas decorations, batteries, a toaster, vacuum and espresso maker, amongst many other items to run their services and give to beneficiaries.

"In all ways we use In Kind Direct, it helps a great deal, and we have much more disposable income!"

- CEO
Stripeny Stork are a baby bank who support families in need by providing items for children up to 16 years. The majority of their products are for babies and toddlers, however older children and teenagers also benefit from clothes and school bags.

They collect a mixture of new and pre-loved items and distribute to families most in need via a referral network made up of health professionals, social workers, hospitals, children’s centres and others.

Stripeny Stork orders a wide range of products from In Kind Direct. Toiletries in particular are used for pamper packs for mothers; they also make up special bags for Mother’s Day for women who may not receive a present.

The charity notably received nappies, push chairs, high chairs and toys which it has distributed to its beneficiaries.

“Being able to give new branded products to beneficiaries creates a real sense of self-worth and that they are cared for… We make up hospital bags for pregnant homeless women, with essential toiletries, as many are worried about not fitting in when they go to hospital.

The benefits of product giving

**Easy & high impact**
Through one point of contact, your product donations can potentially reach thousands of charities and help millions of people.

**Responsible & sustainable**
Save on landfill and waste costs, see your products go to where they are most needed and generate amazing social value.

**Peace of mind**
All donations are tracked and monitored to ensure your goods will only be used for charitable purposes.

**Inspiring**
Product donations can change people’s lives. We share our charities’ accomplishments and heart-warming stories with donors to give product philanthropy real meaning.
How you can get involved in 2019

Donate (more) essential products
Charities across the country are in constant need of quality products to help the people they support all year round.
Your donations have the power to change lives.

Fundraise for us
Invest in what In Kind Direct plans to achieve, building on the vision of our Royal Founding Patron, HRH The Prince of Wales.
Cycle, run or walk: our sports challenges offer your teams opportunities to support our work.

Volunteer with us
In Kind Direct welcomes teams of volunteers all year round to help sort and prepare stock at our warehouse in Telford, Shropshire. It is physical, fun and satisfying.
Make a difference and sign up your team today.

Spread the word
Connect us with people and companies who could help.
Spread the word on social media, like and share our content on Facebook, Twitter, Instagram or LinkedIn.
